

Job Description

ESSA Bank and Trust is currently looking for mortgage loan originators to join our team. Having recently celebrated our 100th anniversary, ESSA is a respected community bank with deep roots in mortgage lending. Our experienced team will support your efforts to meet the mortgage needs of your clients and grow your production.

Qualification for this position include:

- Minimum of one year mortgage origination experience.
- Established referral sources and proven business development skills to support personal production.
- Outstanding communication and customer service skills. Ability to analyze, identify and meet client needs with ESSA mortgage products and referrals to other lines of business.
- Thorough knowledge of mortgage products including conventional and government loans, secondary market requirements, and regulatory guidelines.
- Must be compliant with SAFE Act and registered with National Mortgage Licensing System.
- Self-directed with strong planning skills, able to follow through and manage multiple priorities and deadlines.

Education/Training: A B.S or B.A. degree in a related field of study preferred; specialized mortgage lending education and training.

ESSA offers a competitive commission-based compensation package including

- Medical
- Dental
- Vision
- 401k with Company Match
- Life Insurance
- ESOP

Equal Opportunity Employer—minorities/females/veterans/individuals with disabilities/sexual orientation/gender identity
